

6th Grade Lugnut Lunch Program Application

Dear Parent/ Guardian,

The Lugnut Lunch Program is for the households that do not qualify for the already in effect free and reduced lunch programs in Lakeview School District. Meaning, higher income families who pay full price for lunch in 6th grade will receive free lunches.

If you filled out an application for free or reduced lunch already through Lakeview School district and have been accepted, please do not apply for The Lugnut Lunch Program unless your household income has changed.

Each school year we will need a new application filled out and mailed to The Lugnut Lunch Program.

Applications will be accepted at anytime throughout the year.

More applications are also available on our website www.lugnutcustoms.com under the "Lugnut Lunch Program" tab.

DIRECTIONS: Fill out this application to the best of your knowledge along with the most recent copy of your tax return for anyone who is living with you and shares income and expenses, even if not related. If you are found to meet the income guidelines of the school district's current lunch application, your 6th grader(s) will receive free lunches for the entire school year. You only need to fill out one application per household per year.
